

# COSINE

## SIT/STAND DESKING

Office  
Furniture

# TIME TO MAKE A STAND

## Designed to reduce prolonged sitting time during working hours

Developed with an integrated height adjusting mechanism, Cosine stimulates breaks in sitting by encouraging standing positions as an alternative.

## Better engaged and productive workforce

Cosine supports more active working which improves well-being, reduces fatigue, increases energy levels and brainpower.

## Electric height adjustment

For frequent and easy interchange of sitting and standing positions.

Cosine comes with hand controlled standard or memory unit with four programmable heights.

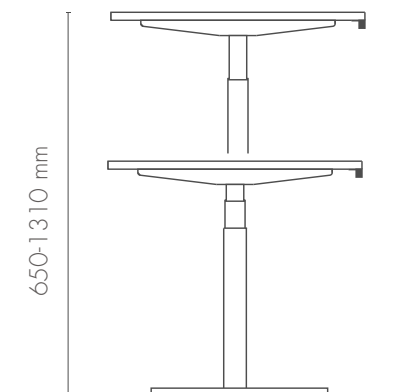

standard unit

memory unit

Lift speed  
without load 38 mm/s  
with load (80-100 kg) 35mm/s

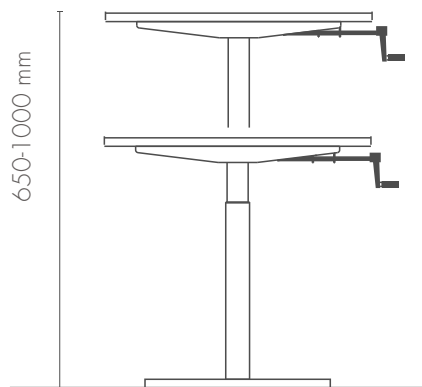

## Crank height adjustment

Ideal for making occasional adjustments to the worktop's height with a manual crank handle.

A cost saving yet effective solution.

Lift speed  
3 mm/single crank rotation

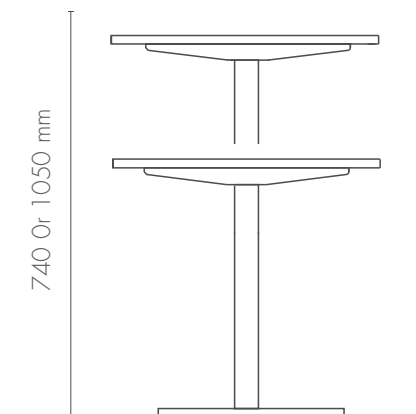

## Fixed heights

Static and cost saving option, which enables to combine two levels of desktop height for seated and standing positions.

The adaptive nature of Cosine allows for easy retrofit of the electric or crank adjusting mechanism to allow for greater flexibility.

## Work the way you want

Sofa integrated within the footprint of Cosine desks allows for greater collaboration.

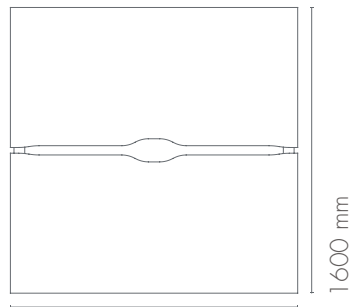

## New slim profile screens

800 mm/400 mm high for double/single configurations.

Symmetry Screens are available with pinnable as well as acoustic fabric option

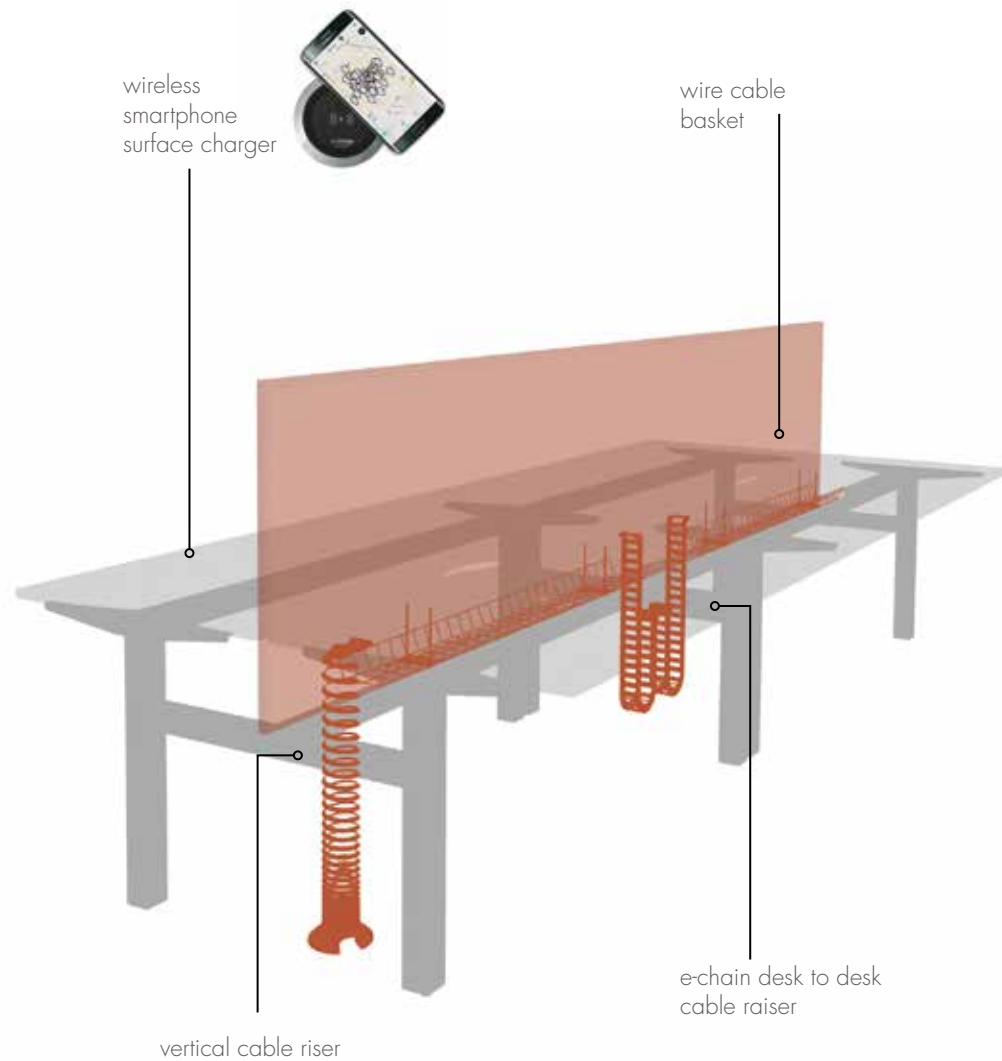

## Modularity

1200, 1400, 1600, 1800 mm

## Cable management

## About HSI Furniture

We pride ourselves on in-depth product knowledge and sound advice. All our products are tried and tested for durability and usability. We believe our experience is invaluable for achieving maximum customer satisfaction with a cost effective solution. We are based in Reading, Berkshire and serve customers throughout London and the South East.

Design your complete office with our consultative service which includes a FREE site visit, FREE planning and FREE design. Whether you are designing your reception area, boardroom or simply redesigning an open plan office space, our team will help to identify the right office desks, chairs and storage to meet your needs.
