

Be

In an age of mobile working, a personal space that's safe and secure creates a sense of belonging. Be lodges are the perfect solution for the agile workplace.

The customisable design options can support your brand, personality and approach to work. The lockable lodges also have the option of including power, perfect for employees to charge their tech whilst they work.

Be lodges make an attractive addition to any vibrant, design led work space and can also be used for division, zone creation and way-finding.

lodges

BISLEY

LateralFile

LateralFile lodges are the perfect personal storage solution for any office environment.

An extensive colour palette allows for personalisation and co-ordination with the rest of your design scheme.

Additional options such as postal slots and label holders make it a very functional offering. This flexible product can be specified either as a bank of personal storage units or combined with general office storage.

Seamless backs also allow the lodge units to be used as space dividers.

Available in 13 heights*, 3 widths and 1 depth.

Levelling feet as standard.

Double skin doors, soft close hinges and seamless back carcass as standard.

AB Series lock as standard.*

Colour palette 1.*

Multiple coloured doors available as standard.*

Range of accessories available including planter tops, postal slots, decorative tops and shelves.

10 year warranty.

Individually locking drawers available as standard.

*Talk to your Bisley representative for more information. Surcharges may apply.

Height 693–1947mm
Width 800–1000mm
Depth 470mm

SystemFile

SystemFile lodges are the perfect high density personal storage solution; the widest option can accommodate three rows of lockers, perfect for when space is at a premium.

The SystemFile lodge is just one product from an extensive range, and is designed to integrate seamlessly with the rest of the collection. Independent locking function provides a safe and secure place for personal items.

Available in 5 heights, 2 widths and 1 depth.

Levelling feet as standard.

Available in 6, 8, 9, 10, 12 or 15 lodge configurations.

Colour palette 2.*

Multiple coloured doors as standard.*

Low and Fletcher AB series locks.

10 year warranty.

*Talk to your Bisley representative for more information. Surcharges may apply.

Height 997–1947mm
Width 800–1000mm
Depth 470mm

Essentials

Essential lodges are at the heart of a range of storage products that no office can function without. The range is simple, straightforward and comes in a specific range of sizes and colours.

These lodges provide affordable, high quality, functional and secure personal storage.

Lodge units can sit alongside other products from the Essentials range, to create multi-functional storage clusters.

These height aligned units can also provide valuable collaborative work surfaces.

Available in 4 heights, 2 widths and 1 depth.

Levelling feet as standard.

Available as a unit with a combination of both lodges and drawer space.

3 lodge or 3 lodge and drawer combination configurations available (combination units supplied with individually locking drawers as standard).

Bisley's 7 most popular colours.

Low and Fletcher AB series locks.

5 year warranty.

Bisley branded as standard.

Height 693–1300mm
Width 800–1000mm
Depth 470mm
