Soft Seating

Relax, communicate, collaborate

Our soft seating suites have been designed to evolve with the way we work. Drawing style and comfort from domestic furniture, our sofas facilitate communication throughout the office; delivering acoustic control and quiet collaboration zones. Infinitely configurable modular ranges allow you to create flexible meeting compartments with fingertip tech access. Statement armchair pieces make a bold impression in a reception and create relaxed, inspiring common areas.

Lilo

Laid-back luxury

DESCRIPTION

This luxurious modular sofa system has been developed for super comfort. Sofa and chaise options allow you to configure the elements to suit your space. Coffee or corner tables create the right tone for interaction and power modules ensure these contemporary arrangements support relaxed productivity.

The full range: summitchairs.co.uk/range/lilo

OPTIONS & FEATURES

- Polished wooden base
- Power module with 13 amp socket and twin USB fast charge facility
- Solid beech and ply frame construction for long lifetime value
- Deeply cushioned seats over elasticated webbing
- Beech laminate table tops

★ Optional polished wooden underframes.

★ Create expansive reception areas or intimate meeting bays.

★ Two arms, one, or none?
Create a bespoke
sofa-scape.

★ Sleek polished aluminium feet.

Lilo Booth

Eat, meet, discuss

DESCRIPTION

Another facet to the Lilo range is the brand new booth arrangement. This media panel and table create a fabulous collaboration zone for small-scale presentations and discrete meetings, or a cucumber-cool breakspace with a live newsfeed.

OPTIONS & FEATURES

- 1, 2 or 3 seater booth configurations
- Integrated power and USB ports

Deco

Modular seating with roaring 20s glamour

DESCRIPTION

Deco is our beautiful tuxedo-styled sofa. The individual cushions have a foam core for durability, stuffed with feathers for a luxuriant feel. Generous solo, twin and 3 seater sofas, as well as corner and rectangular coffee tables and media units allow for the creation of corner sofas, booths, traditional facing sofas and pretty much any configuration you can think of.

The full range: summitchairs.co.uk/range/deco

OPTIONS & FEATURES

Polished wooden base
Power module with 13 amp socket and twin USB fast charge facility
Solid beech and ply frame construction for long lifetime value
Deep, softly cushioned seats and backs
Beech laminate table tops
Button detailing as standard
Optional arm pillows

★ Flexible arrangements with one, two or no arm pieces.

★ Sleek polished aluminium feet.

★ Create expansive reception areas or intimate meeting bays.

Piano

A sleek, responsive solution

DESCRIPTION

Piano is a versatile, modular zoning system. Confident, clean lines keep an open, uncluttered feel and its simple linking system and sturdy frame makes reconfiguring the seating arrangements swift and simple.

Whether you are perching, attentive or just in conversation, Piano's webbing and deep cushion combination will ensure you are doing it in comfort.

Why not mix and match these with a high back for a varied sofa-scape? All configurations available in the Grand Piano Range too.

The full range: summitchairs.co.uk/range/piano

OPTIONS & FEATURES

Linking

Power module with 13 amp socket and twin USB fast charge facility

Polished wooden or chrome feet

Beech or white table tops available

★ Discrete linking.

★ Seamlessly compatible with Grand Piano units.

★ Solid beech frames give enviable robustness.

Grand Piano

Cosy acoustic control

DESCRIPTION

Grand is the word for these imposing statement sofas and booths. Create flowing, organic curves, circular meeting pods or noise-controlled collaboration corners. Media units combine with sofas to create booth spaces and can be fitted with screens to showcase your work in comfortable groups. They can also include power and USB ports so there's no limit to your energy.

The full range: summitchairs.co.uk/range/grandpiano

OPTIONS & FEATURES

- Linking
- Power module with 13 amp socket and twin USB fast charge facility
- Polished wooden or chrome feet
- Beech or white table tops available
- Compatible with Piano for a varied landscape

★ Dial down ambient noise in open-plan spaces.

★ Perfect for group work (or when you don't want to be found).

★ A grand canvas for creative contrasts or a contemporary sweep of colour. Go fabulous with your fabrics.

★ Dims the din so you can focus.

★ Contrasting fabric options
for maximum impact.

★ Solo sofas create perfect 1:1 spaces while
the larger sofas invite collaboration.

Din Lids

Cosy acoustic control

DESCRIPTION

We've fashioned fabulous roofs for our ever-popular Grand Piano booths. Keep discrete and snug in a productive pod. Complete with Din Lids to ensure ambient noise is kept to a minimum.

OPTIONS & FEATURES

Warm white low voltage
LED down lighting

MeMe

Individual styling

DESCRIPTION

Fancy a fabulous foyer? Or a break space to revitalise and inspire? Kooky corner units, extravagant chaises, versatile tables and statement circle pieces make this range's creative potential boundless. If you are looking for a wow welcome, it's all about MeMe.

The full range: summitchairs.co.uk/range/meme

OPTIONS & FEATURES

Linking

Power module with 13 amp socket and twin USB fast charge facility

Polished beech, walnut or upholstered arms

Beech or white table tops available

★ Armed or not; it's still a killer look.

★ Chunky steel tube frames afford long lifetime value.

★ Chic retro styling and contemporary clean lines.

Villain

World domination optional

DESCRIPTION

With Villain's dramatic sculpted back and swivel base option, it's a formidable, fun addition to reception and break zones. The high back is inspired by a classic wing chair and is an empowering place to position yourself. We've developed a complementary medium backed version we've nicknamed Sidekick, offering versatility and extra drama.

The full range: summitchairs.co.uk/range/villain

OPTIONS & FEATURES

Polished aluminium spider base

Polished beech spider base

4 legged solid beech frame

Wire tube hairpin frame

High or medium back

Contrasting fabric options

Graphic

Home comforts

DESCRIPTION

Make yourself at home with deep-filled scatter cushions on this welcoming sofa. Graphic's crisp lines make it a dynamic choice and luxurious cushions ensure you aren't compromising on comfort. Coordinate or clash with upholstered coffee tables.

The full range: summitchairs.co.uk/range/graphic

OPTIONS & FEATURES

Armchair, twin seat
and triple seater sofas

Generous, coordinating
coffee table

Scatter cushions

Polished beech legs

Solid wooden frames

Sprung seats

Fino

Compact comfort

DESCRIPTION

Fino has uncompromisingly architectural lines. The sleek spider based option offers a dynamic visitor chair while sharer or solo sofas allow elegant coordination of reception and break spaces. Platinum underframes finish the sophisticated Italianate vibe.

The full range: summitchairs.co.uk/range/fino

OPTIONS & FEATURES

- Spider base on visitor chairs
- Contrasting upholstery available
- Luxuriously cushioned seats
- Sofas include elasticated webbing for enhanced comfort

Tumble

Beautifully balanced proportions

DESCRIPTION

The sweep of Tumble's cushioned shell is beautifully organic. With the generously proportioned seat and deep, fibre-topped seat cushion, you've got a chair you'd happily fall into. Tumble's compact footprint makes it a practical choice for a limited space whilst its choice of steel tube cantilevered, height adjustable swivel or wooden legged underframe allows precise fit for application.

The full range: summitchairs.co.uk/range/tumble

OPTIONS & FEATURES

There's nothing basic about the base options: cantilever frame, solid beech or black wood legs, or swivel base with gas lift

Go platinum on the cantilever, or dramatic black

Heavy duty, polypropylene shell

Deep fibre-topped cushion

Contrasting fabric option

Ego

A well rounded solution

DESCRIPTION

The generous arc of Ego's back is deeply cushioned for optimum comfort. It's a chair to relax and be yourself whether in fixed or swivelling model options.

The full range: summitchairs.co.uk/range/ego

OPTIONS & FEATURES

Chrome swivel spider base or fixed base options

★ Contrasting fabrics available at no extra charge.

★ A statement piece for visitors, reception areas and breakspaces.

Reception

A traditional welcome

DESCRIPTION

First impressions are critical, and this range doesn't disappoint. Its compact footprint and clean shape won't clutter your space and the deep cushions are so welcoming. Handbuilt around a solid wood frame, Reception is a fantastically durable solo or sharing-sofa range.

The full range: summitchairs.co.uk/range/reception

OPTIONS & FEATURES

Deep, fibre-topped seat cushions for superior comfort

Polished beech legs or opt for chrome

Core

Sleek and dynamic

DESCRIPTION

Simply elegant, through and through; Core looks fantastic in a solid colour but exceptional when you employ our time-honed upholstery skills to create playful colour contrasts. Core tailors precisely to its application with a wide choice of underframe options in assorted finishes - strong, tubular steel skid; wood or steel four legged; chic spider bases-swivelling or fixed.

The full range: summitchairs.co.uk/range/core

OPTIONS & FEATURES

Spider, skid or 4-legged bases

Platinum coated bases and underframes

Wayvee

Soft lines, generous seat

DESCRIPTION

Wayvee's distinctive, organic shape is liberally proportioned. With the double-curve on the backrest promising true relaxation. Frames come in traditional wood or super strong steel, each available in a choice of colour finishes or for swivel functionality there is a chrome spider based model. Complementary side tables are the perfect perch for your magazines or coffee.

The full range: summitchairs.co.uk/range/wayvee

OPTIONS & FEATURES

Skid, swivel-spider
or 4-legged frames

Chrome finish to the spider base

★ Wide choice of underframe styles, materials and finishes.

Vista

Improve your view

DESCRIPTION

The slim, elegant chrome frame on these gracefully stylized stools and chairs supports a robust, polypropylene shell offering outstanding long term value. Covered in high-quality foam, and upholstered with our customary care, Vista is comfortable and sophisticated. Popular in eating, meeting, learning and waiting environments as well as multi-purpose spaces.

The full range: summitchairs.co.uk/range/vista

OPTIONS & FEATURES

Stackable for ease of moving and versatility

Available with or without arms

Foldaway, removable tablet for working. Or not.

Skid frame edition features integral linking

Skid-frame or 4 legged stools complete the range

Tub

Cool and compact

DESCRIPTION

Tub offers outstanding lifetime value; its robust wooden frame and careful construction make it ideal for high-traffic areas. The classic shape and subtle curves offer a tempting rest-spot, perfect for a lobby or waiting area.

The full range: summitchairs.co.uk/range/tub

OPTIONS & FEATURES

Plastic floor glides protect flooring

Mix and match this range with some Skittles for a flexible lobby

Skittle

Fun, flexible seating shapes

DESCRIPTION

Scatter some Skittles through a breakspace, common room or creative meeting room for fun, versatile seating and a burst of inspiration. This range is built for durability and gives space to agility of body and mind.

The full range: summitchairs.co.uk/range/skittle

OPTIONS & FEATURES

Playbrick shaped stools

Deeply upholstered pouffes with chrome legs

Castors available on SK55, 56, 57 and 58

Channel

Connect with versatile media units

DESCRIPTION

Perfect for breakout meetings or to perch at for a coffee, these media units are available in two heights; table or bar. The upholstered panel offers acoustic control in open plan areas and space to mount a monitor and power unit to make it easy to present or collaborate. The opposite table end can mirror the first for maximum discretion and minimal noise or there is the option to have a reduced height, upholstered panel or an open, metal framed table end as shown here.

The full range: summitchairs.co.uk/range/channel

OPTIONS & FEATURES

2 height options:
bar or standard table

Upholstered panel has
a solid wood frame

Diamond or lollipop table shapes

Coordinate seat upholstery
with the end panels

Ultra

A great seating all-rounder

DESCRIPTION

Ultra versatile, ultra durable, Ultra is a broad range of high and low backed stools, and chairs. Resilient shells are cushioned and upholstered with refined stitch detail. The robust metal frames can be skid based or 4 legged and the wooden frames, black or natural beech.

The full range: summitchairs.co.uk/range/ultra

OPTIONS & FEATURES

Solid ply shell, anatomically
shaped and comfort-upholstered

Frame options include wood, in
beech or black with black wire
detail, or solid steel tube available
as a 4-legged or skid edition

2 back heights available on stools

Our Guarantee

All our products
are built to last

All of our chairs come with a 5 year structural guarantee, excluding fabric, fair wear and tear, and damage or failure caused by misuse. The guarantee applies for use up to 8 hours a day by users up to 150kg. Different warranty periods apply to fitted electrical accessories.
