Superior Faux Leathers

4 contract quality fire retardant upholstery faux leathers are used in all products offering the following features:

- Conforms to BS5852 ignition source – Crib 5
- Resists stain penetration for long term protection
- Looks new far longer than other contract upholstery
- State-of-the-art resistance to staining, abrasion, scuffing and burnishing
- Designed to be cleaned easily, over and over without showing signs of wear
- Common stains such as dirt and smudges simply wipe off

Table bases, table tops and complete tables

EXTREMA
TABLE TOPS
MANUFACTURED WITH THE EXTREME IN MIND

Extrema table tops great for indoor and outdoor applications

The highest quality, most durable indoor/outdoor table top on the market!

Sleek design, weatherproof, highly scratch resistant, heat resistant and UV resistant.

2 year warranty on all Extrema tops

Resistant against all types of weather conditions

No apparent adverse effect from hot food on its surface nor suffer cigarette burns

Rounded corners and edges ensure safety and comfortable seating arrangements

Jointless surface for easy cleaning

Very stable and a good weight to withstand windy conditions

All EXTREMA tops are made from sustainably harvested sources
